To the Parents/Guardians of Participants in the P.A. After School Program,

To ensure a safe environment, smooth operation and participation in the Parents' Association After School Program, the following guidelines have been put in place.

- Students who have a paraprofessional assigned during the regular school hours may not be assigned a paraprofessional during the afterschool program.
- Students who do not participate in their selected activity may be requested to attend a different activity. Frequent refusal to attend activities may lead to dismissal from the program.
- Students need to demonstrate that they are ready for an extended day.
- Students who exhibit inappropriate behavior during the school day or during the PA After school program will not be permitted to attend the program.
- Students attending the after school program must be signed out from the program, in the main building, unless they are picked up before 2:00 p.m.
- Pick-up time is 5:20 p.m. Students may be picked up earlier and need to be signed out.
- If a student is picked up late, more than three (3) times in one session, he/she will be requested to discontinue attending the program for that session.
- No refunds after enrollment. No exceptions.
- **IMPORTANT** - Three late pickups will result from removal, without reimbursement, from the After School program for that current session.

Please be aware that for the next session and in the future, payments must be made in full at the time of registration.

To ensure the safety of all our children change of days/activities will not be honored.

All questions and concerns should be addressed by calling (347) 753-3132 from 4:00-5:30 pm.

Thank you for your cooperation.

Sincerely,

Paulette Foglio
Principal
